HYLANDS HISTORY & GARDENS MULTIMEDIA TOUR

Available all year round for free is our interactive multimedia tour which shares the rich history of Hylands House and our extensive gardens.

Hylands House was first built almost 300 years ago, and the gardens have been a major attraction for most of our history. Over time, each new owner made their own mark on the house and grounds, extending and remodelling the landscape according to the tastes and fashions of the day.

We're proud that we are known as the jewel in Chelmsford's crown. Now, our new multimedia tour, designed by ATS Heritage, will take you through the history of the Estate, telling the story of how we came to be as we are today.

How to enjoy the tour:

- ✚ The tour is free to explore seven days a week.
- ✚ Enjoy it via our official handheld devices, which can be borrowed from The Stables Information Point.
- ✚ Alternatively, use your smartphone to listen to the tour by scanning the QR code at the first post stop in The Stables area, or any others on the tour.
- ✚ Don't forget to bring your earphones if doing the tour from a smartphone.
