

Holistic Hylands

Sunday 22nd March

10am - 4.30pm

We're delighted to welcome you to Holistic Hylands, a day dedicated to nurturing your mind, body, and spirit in the beautiful surroundings of Hylands House.

Throughout the day, you'll find a variety of talks and workshops led by experts in wellness, mindfulness, and holistic healing. Be sure to explore the Wellness Market inside the Grand Pavilion, where you can discover hand-picked products, treatments, and guidance to support your well-being journey. The Terrace Room is hosting a quiet therapy space where you can indulge in mini treatments such as reflexology, reiki, crystal healing and more!

Take time to pause and recharge—whether that's by enjoying a moment of quiet in the house, unwinding in the gardens, or grabbing a wholesome meal from one of our local food traders.

We hope you leave today feeling inspired and refreshed.
